

## Are you suffering from the following?

- Flu-like symptoms (e.g. fever, cough, infection-related breathing complaints)?
- Diarrhea, headache?

 **AND**

- Have you been to regions where coronavirus infections have occurred within the past 14 days?
- Did you have contact with a coronavirus patient or with a suspected person with coronavirus?

**If you can answer "yes" to two of the questions:  
Do NOT enter the practice!
